Many Thanks for your generosity

Did you know the parish is staffed by priests from the Congregation of the Sacred Hearts of Jesus and Mary (sscc). As members of a Religious Order they live in community, unlike Diocesan Priests. The order requires that three or more live (where possible) in community. That is why we have four priests working in our parish presently.

1st SUNDAY OF LENT

Readings

The first reading, from the book of Genesis, recalls how the temptation to be like God brought unhappiness and pain to humanity.

The second reading, from St Paul, discloses how Christ's obedience restored the fractured relationship between God and the human race.

The Gospel, from Matthew, describes Jesus' victory over the tempter as he is offered power and glory in return for disobedience to God. (Synopsis Intercom)

This year we will divide the money raised between a Sacred Hearts Community (SSCC) project run by our brothers in India (that looks after young adults) and a project run by a Divine Word Missionary (SVD) priest that cares for the poor living among the graves and tombs of the old Chinese cemetery in Cebu, Philippines. Like last year, we hope to be able to show you pictures on the day of these two projects. If you can help us in any way to make this a success please let Freda or Fr Bala know. All are welcome. Many thanks in advance.

Acton Homeless Concern requires from April a new Treasurer – you must come from a background in bookkeeping or accountancy. This is a Volunteer position. If you would like to know more please call 07710282753 for an informal chat.

The General Pharmaceutical Council (GPhC) has launched a consultation about a proposed 'significant change from

the present position' on conscientious objection by pharmacy professionals. Bishop John Sherrington has asked that we forward this request from the Bishops' Conference Department for Christian Responsibility and Citizenship to you so that you may be made aware of this consultation and perhaps share the information with parishioners.

Attached is a briefing, prepared by the Anscombe Centre.

It is hoped that Catholics might use it as a guide for sending in their own short responses to the consultation.

The consultation can be found at

<http://www.pharmacyregulation.org/valuesbeliefs>, and responses submitted directly via that website. The deadline for responses is 7 March 2017.

2nd Collection next week 12th March - CAFOD Family Fast Day Lent Appeal 2017: Florence and the little fish

Florence is 41 and lives in northern Zambia. When her husband died in a mining accident, she struggled to make a living. Thanks to donations like yours, CAFOD's partner in the area, the Sisters of the Sacred Hearts of Jesus and Mary, gave Florence tiny fish - the size of your thumb. They also taught her to build fish ponds and care for the growing fishes – providing a way for her to help herself and her family. "I thought, 'I'm determined to do this,'" says Florence. "When I came back from the training, I wanted to help my neighbours as they had helped me in the past. I thought if they were empowered, they would benefit too."

Why should I donate? Your donations make the Sisters' work possible. Florence transformed her whole life with just a small amount of help. By donating to our Lent Appeal you can give that help to people like Florence. The fish Florence started with were the size of your thumb. With her hard work, commitment and dedication, they grew to the size of your dinner plate. She sold the fish and bought clothes and school books – a future for her children. From just a tiny start, she was about to do big things. "I can send my children to school now and I can feed my family. I urge you please continue supporting me."
